Annual Dues Information

See our website www.waferfabs.org for detailed membership information
Please mark your membership selection

Voting Membership:

- Voting Membership: Voting shall be by company, not by individual representatives. Dues are set annually.

Associate Memberships:

There are several subcategories that fall into the Associate membership category they are:

- Associate Membership – Annual dues are US \$5,000.
- Service Partner Membership - Annual dues are US \$5,000.
- Venture Capital / Investment Bank Membership - Annual dues are US \$5,000.
- Organizations / Associations / Government and Educational Institutional Membership - Annual dues are US \$2,800 with a limit of 3 people who can receive deliverables.
- Subsidiary Membership - Parent and subsidiary would be listed individually as members. Subsidiary would pay dues that are 50% of the parent company's dues. Please contact L.T. Guttadauro, FOA Executive Director www.waferfabs.org to determine eligibility.

Individual Membership:

- This membership category is reserved for independent consultants and retired members of the semiconductor industry. Annual dues are US \$500.

"Our company understands that signing up for FOA membership indicates an annual commitment for membership and we are obligated to pay the required dues within 30 days of receiving our invoice. It is also our obligation to communicate personnel changes to the FOA for invoicing purposes. We understand this membership is renewed automatically each year. At renewal, the FOA may request updated information reflected within this application. We understand if payment for dues becomes delinquent for two (2) quarters, our membership will be suspended. We understand this obligation remains, even if our company is acquired, as the new company will carry forward this obligation for the remainder of our annual membership term. We understand that cancellation of this membership must be submitted in writing to the FOA and any dues remaining in our annual membership term will be payable to the FOA. We understand that the terms of membership are subject to change and governing terms are listed on the FOA Web site www.waferfabs.org."

- I agree to the terms above
